Chakra Reads: Using a color photo of your animal, reads give you a report as to where physical and emotional imbalances could be happening with your animal along their chakra system. Flower Essence Reads: Using a color photo of your animal, custom flower essence reads give you a custom listing of essences to treat and bring back the balance to the emotional body. Dowsing: Remote "dowsing" of your animal to discover energetic "blockages" in body, meridians (acupuncture lines), energetic to physical, outside and inside the body. Scan automatically includes releases of tension, and blocks in various systems and areas of the animal.

Please call Paula to arrange any energetic dowsing, chakra or Flower Essence reads. These are customized per animal. Also available are in person home and environmental Feng Shui consultations. Please contact Paula directly to discuss an in person energetic read or session if needed (All rates below are on a "remote" basis)

Feng Shui / Fur Shui on site work

Please call Paula for on site home or environment Feng Shui. Feng Shui done with the inclusion of your animal's needs and behaviors as well as standard Black Hat Feng Shui home balancing.
