Paula Brown's purpose, her life's art, is to ignite and connect folks to their own heart and to the heart of nature. She is the ultimate guide in getting people and their pets "unstuck" and into mutual understanding and healing. Paula is an Animal Communicator and Heartist. A soul storyteller, she heals Heart to Heart with "Fur Folk Talk", connecting pets with their people. Her telepathic, energetic reads, and pet essence fine art, show the purpose, needs, and souls of people and their pets in both present and past moments. All of her life, her expression of truth has sprung from her connection to nature. Paula's best-selling book "Fur Shui. An Introduction to Animal Feng Shui™." (US, Canada, UK, translated to Italian) shines her intuitive questing tools within and beyond the visible world.

### PAULA'S MOST POPULAR MEDIA TOPICS INCLUDE:

**Why your heart is smarter than your mind.** Speaking from your heart (whether to fur folks or non), and feeling from your mind, is the most effective method for real growth and discovery in life and relationship. Finding how our pets are sent to help us and also reflect "US" is magical and the beginning of real healing.

**Value add for audience:** Giving your fans permission and encouragement to share, find hope, and express their unconditional love to and from their pets is priceless. Their "Ah-Ha" discoveries by having a telepathic communication with their pets gives them peace, joy, validations...all encouraged by you.

**Healing by finding your pet's purpose to heal YOU.** Real understanding of your personal purpose comes from finding your pet's purpose, physical and emotional needs.

**Value add for audience:** Your audience gains precious insights as to WHY their pets are with them and how fur folks show you your own strengths and lessons. Teachings that help your tribe find inner peace, joy, strength, and healings both emotional and physical!

### PRAISE

"Paula is profoundly connected to animals and comes from pure love. You will find comfort, insight, and joy working with her." **Laura / San Diego, CA**

**see more kudos...**

Paula's praise includes top international awards for her skill of finding "brand heart" as Ad Agency Creative Director, and featured on TV, radio, on-line, and as guest speaker with her book "Fur Shui".

## SOME FUR FOLK TALK "PULLS"

Opening up to hearing and talking with one's "heart" to a pet or nature creates curiosity, authenticity, and sparks interest in new ways of "listening"; connects folks to **your** "heart" essence and core message creating profound results by and with:

- \* Blue Sky ideation
- \* Discovering big "Ah-Ha"s
- \* Searching deeper
- \* Intuitive confidence
- \* Sparking talk from "heart" rather than "head"
- \* Giving your audience new ways to "discover"
- \* Growing your expertise to give NEW pt of view
- \* Adding loyal fans with innovation and like-beliefs

### MORE PRAISE!

*"Paula is the best animal communicator. I have had her read many of my pets over the years to find out health issues and about their backgrounds as rescue animals. It is amazing, I don't know how she does it but it is a gift for certain. She is always correct. It is uncanny."*

Lauren / Los Angeles, CA

*"Paula has become a constant in my life. A month after arriving in Michigan, my Corgi, Indy, passed away and Paula spoke with him the day before and the day after. Paula has an amazing gift to be able to connect to the soul of an animal and to talk with them and bring comfort to both the animal and the owner. She is a blessing to all animals that she comes in contact with giving them a voice. I know she will remain a part of our family for as long as we are here."*

Kimberlee / Michigan

*"Paula is the real deal! She blew me away with her accuracy in communicating with my dogs."*

Gina / San Diego, CA

### BONUS TOPIC

#### Why it's NOT crazy to talk with your "imaginary friends".

Introduce new ways of communicating, of growing relationship understanding and well-being by listening to the "Heart talk" from nature, animals and your home! Share beneficial ancient intuitive methods of heart communications with animals, energetic tools of dowsing, feng shui (Black Hat), Hawaiian shamanistic healing (Huna), and many more visionary alternative tools.

#### Value add for audience:

Spark lively conversations of surprising and synchronistic everyday miracles. Expand and encourage trust, growth, joy, and confidence, applying the intuitive tools we were born to use.
