February 17, New Year's Day families gather and gift children with red envelopes which contain cash or gifts. Business gifts are given later in the Spring Celebration.

My favorite days are the 5th which invites the Wealth God into one's life and home, and the final full moon day of Spring Festival which is the day of love and good luck...like Valentine's day!

*My zoom workshop is on The Wealth God day...come boost your prosperity energy with new learning and fun!*

**Wishing you all a very warm and loving Valentine's day.**

Unconditional love is what it is all about...that's what our pets give us 24/7!

So important to hug your pet, gives you and them much needed grounding and well-being balance! For me, it is obvious, I am calmed by and know I calm and comfort my two fur loves Rumi and Makana. They keep me on schedule and kind during each day.
